Appointments Accuracy reinforces its Corporate Recovery teams

Accuracy has announced the recruitment of Rodolphe PACCIARELLA, Fabrice LEMARQUIS and Julien SANIER to further enhance its corporate recovery teams.

Rodolphe PACCIARELLA

Age 34, has joined Accuracy as Vice-President. The holder of a postgraduate diploma in business law, he spent seven years as the lead team member at the office of Maître Francisque GAY, Official Receiver to the Commercial Court of Nanterre. During this period he completed his professional work experience as an Official Receiver. Specialising in corporate recovery (voluntary or court imposed), he joined KPMG's Restructuring department as a Manager in 2006. At Accuracy, Rodolphe Pacciarella is responsible for the Corporate Recovery business.

He will be assisted by:

Fabrice LEMARQUIS

Age 34, holds a Masters in Management Science and a postgraduate diploma (Dauphine). He is joining Accuracy as a Senior Manager.

Fabrice spent three years at RSM Salustro Reydel before joining the Transaction Services Department at PricewaterhouseCoopers (financial due diligence on behalf of corporate clients and investment funds) for six years where he was a Senior Manager.

Julien SANIER

Age 31, trained in law and Executive Masters in finance from IEP Paris, is joining Accuracy as a Manager. He spent six years working with Maître Denis Facques, Official Receiver to the Commercial Court of Paris and carried out his professional internship during this period. He also has a year and a half's experience in the Prevention & Restructuring department at KPMG where he was a consultant.

Accuracy now has 80 consultants, including 50 in Paris and is emerging as one of the major players in the market.

Accuracy, (a subsidiary of the AON group), has developed a new model in financial consultancy services. The company undertakes "tailored" assignments in the corporate finance field, and does not intervene in regulated professional activities (auditing or public accounting, etc). Accuracy's areas of expertise include transaction support, corporate assessments and valuations, support with dispute resolution and litigation, in addition to corporate recovery.
