

Nicolas Paillot de Montabert is promoted AccuracY partner

Neuilly-sur-Seine, 14 January 2014

The AccuracY partners have the pleasure to announce the promotion of Nicolas Paillot de Montabert as a partner. Nicolas becomes the 19th partner in the Paris office and the 39th partner at worldwide level.

Nicolas Paillot de Montabert joined AccuracY in June 2006.

Nicolas acquired experience in transaction support over five years in an Anglo-Saxon audit firm. He specialises in transaction support and complex modeling projects, particularly in the Real Estate field. He has also assisted over recent years major operations in this sector (for example, for Altarea-Cogedim, Klépierre or Tishman Speyer) and he will reinforce the AccuracY service offering aimed at Real Estate actors (property, developers, investors, occupiers ...).

Nicolas is 36 years old and a graduate of ESSEC and DECF.

About AccuracY

AccuracY is the sole, totally independent European actor that can offer companies and their shareholders a global reach in financial consultancy services. AccuracY is present in nine countries in Europe, North America and Asia, and delivers its services worldwide. AccuracY is comprised today of 235 consultants across all of its offices, in which 39 are partners. Its offices are located in Paris, Madrid, Amsterdam, Milan, Frankfurt, Brussels, London, Munich, Rome, Quebec, Montreal and New Delhi.

We boast a full range of skills in the economic, financial and accounting fields, and combine these skills to reach a single goal: to give sense to figures by analysing them, questioning them, verifying their reliability and providing recommendations to facilitate effective decision-making.

AccuracY combines extensive know-how in areas such as audit techniques, valuations, financial modelling, financial forecasting and market analyses. This aids our clients in dealing with a wide-range of situations including acquisitions, disposals, companies in difficulty, restructuring, litigation and disputes.
