

Accuracy reinforces its teams

Neuilly-sur-Seine, 9 July 2013

Accuracy continues its growth with the appointment of two new Partners and a Vice President.

Chaitanya Arora

Chaitanya joined the Accuracy office in India as a Partner to develop the firm's activities in the Asia region. He spent his career in a Big Four firm in Chicago, then in Singapore, within Transaction Services departments.

Chaitanya Arora is 35 years old, he holds a Bachelor of Science in Accountancy (University of Illinois), he is a member of the American Institute of Certified Public Accounts and the Institute of Certified Public Accountants of Singapore. He is also a Chartered Financial Analyst (CFA).

Bas van Helden

Bas joined the Accuracy office in The Netherlands as a Partner where he is responsible for the development of the Valuation & Fairness Opinion service offering.

Prior to joining Accuracy, Bas was a Partner in a Big Four firm, where he advised quoted and non-quoted corporates and private equity investors on a broad spectrum of valuation engagements.

Bas van Helden is 39 years old, he holds a degree in Business Economics and Tax Law from the University of Tilburg.

Taoufik Lachheb

Taoufik joined the Accuracy office in Paris as a Vice President to strengthen the Project Advisory & Disputes activities in the construction, infrastructure and mining sectors.

Taoufik began his career in 2000. He worked in advisory (Navigant) and the industrial sector (Alstom and Areva).

Taoufik Lachheb is 38 years old, he holds a degree from Ecole Polytechnique and ENSTA. Taoufik was champion of France in pole vaulting and participated in international tournaments and championships.

About Accuracy

Accuracy is the sole, totally independent European actor that can offer companies and their shareholders a global reach in financial consultancy services.

Accuracy is present in nine countries in Europe, North America and Asia, and delivers its services worldwide. Accuracy is comprised today of 220 consultants across all of its offices, in which 37 are partners. Its offices are located in Paris, Madrid, Amsterdam, Milan, Frankfurt, Brussels, London, Munich, Rome, Quebec, Montreal and New Delhi.

We boast a full range of skills in the economic, financial and accounting fields, and combine these skills to reach a single goal: to give sense to figures by analysing them, questioning them, verifying their reliability and providing recommendations to facilitate effective decision-making.

Accuracy combines extensive know-how in areas such as audit techniques, valuations, financial modelling, financial forecasting and market analyses. This aids our clients in dealing with a wide-range of situations including acquisitions, disposals, companies in difficulty, restructuring, litigation and disputes.
