

## INSPIRING WOMAN OF THE YEAR

**ZULEMA SANCHIS**  
ACCURACY

Serving as the Director of Business Change at Accuracy, Zulema Sanchis impressed the judging panel for leading significant initiatives in business transformation and sustainability within the Middle East's construction industry. Since joining Accuracy in June 2020, she has demonstrated leadership, true passion, and expertise across various areas, including digital transformation, sustainable

construction, and diversity advocacy. She is an advocate for women's empowerment in the construction sector, organising panel discussions on male allyship and writing articles on breaking gender stereotypes. Additionally, she is involved in mentoring young professionals at Accuracy, sharing industry insights and helping them in their career growth.
